## Farm Grain and Seed Cleaners

These Cleaners are equipped with probably the best assortment of 12 screens for general grain and seed cleaning ever sent out with any mill, including screens for grain, field seeds, corn and corn grading, as well as screens for beans, peas and soy beans. Also screens for removing buckhorn from clover and pepper grass from timothy seed, etc. Unequaled for high grade work in selecting and grading for seed sowing—removing foul and foreign seeds and selecting seed with strong vitality—insuring germination and strong plants. Increasing yield and also improving the quality.
